August 15 - 1933 -
Dear Miss Adair

It grieves me to learn of your
Father's illness, and I am writing to
ask if there is any little service I
may render that might add to his
comfort? I do hope he will
not continue to be ill for long -
and we may have the pleasure
of seeing him out again -

Do command me if I can
be of service -

May I thank you at this time
for your beautiful flowers,³
you were all sweet to us -

Sincerely

Bertie E. Gritman

Dear Miss Adair

Am very glad you
sold the farm, there is no
chance for me here. Snow
on the shady side is 2 ft deep.
I have not saw Gogan and
do not know the exact amount
of wood he took. he took 6
trees. I think 10 cord is a fair
guess on it.

yours truly
