

VOLUNTEER BULLETIN

August 2023

Hello LCHS Volunteers,

We have been quite busy with programs over the last few months. Thank you to everyone who volunteered or attended any of the programs!

What's New?:

- **Docents**

- Please do not set the alarm in the Mansion. We have had problems with it the last few months where it will be falsely triggered and dispatched to the police or fire department. A Fisher Alarms technician is coming by to check on it to find the problem.

- We have several docent shifts available this month. Please contact me if you or someone you know would like to docent. We will provide all the necessary information!

- **Volunteer Hours as of 8/04/2023**

- You all have been great about logging your volunteer hours! As of right now, we have a total of 133 volunteer hours logged. Make sure to keep logging your hours so can try to hit our goal of 600 volunteer hours for 2023!

- **Volunteer Opportunities in the Collection**

- Filing deed of gifts: Deeds of gifts for items in the Library collection prior to 2000 were found in the LCHS internal archive. The paperwork needs to be moved to the cabinet with the rest of the deeds of gifts and placed in numerical order. This will ensure that all paperwork is in the same location.

- Digitizing and consolidating oral histories on cassette tapes: We are in the process of digitizing our oral history collection so they can be more accessible to the public.

- **Volunteer Opportunities for Events**

- We don't have any events scheduled for right now but might be hosting a fall festival event. Keep your eyes and ears open for volunteer opportunities!

- **Ice Cream Social**

- A huge thank you to everyone who attended or volunteered at the Ice Cream Social! We served over 600 bowls of ice cream this year! We truly could not put on this event without your help. We are grateful for the support you all provide. Thank you!!

- **Looking Ahead at LCHS Events**
