Dear Mother,

Met Art Larson this morning he is going to Clarkia for the mail.

I'm terribly brave. I'm going to stay and save that extra pack bill.

Berna doesn't care to come out, and Mrs. Taylor will be right in some time next week so we will only be alone about two or three days. What do you think about it?

Wish I knew what the mail held for us, we haven't had the mail for two weeks.

Every one is well, Weather is fine. All is O.K.

McPeak will probably not bring the horses to Durhams. Mrs. Taylor & Bill will bring them from from Clarkia.

Lovingly

Iona
