April 25 1911

Dear PINK

How is your cabin  
bright I hope and also yourself.  
"Say" do you know that the 28<sup>th</sup> of  
April there will an eclipse of the  
sun it will be at 4 or 4.55 I hope  
you will see it, I am going to look  
for it. When Cad and pa come  
out I have about 12 funny  
papers to send out to you if  
then. Please excuse this writing  
because my left arm is hurt and  
so I can not hold the paper

but I am doing my best that  
is for chasing this paper all  
over the table. We are studying  
about Australia in school and  
geog. is not getting very easy  
but harder (Well I guess yes)

How is Myrtle D. and the boys.  
How much snow have you cut  
your way is it going up or  
down? How is dear little Ring  
We went to Deary Sunday  
and ~~was~~ riding makes me  
sick and I was sick for ~~4~~ days  
from it. (O get ~~the~~ life is just our damned

thing after another) say have  
you had your Easter yet. I  
have my new Easter bonnet  
and it looks real nice on me  
its a hunt straw ~~hat~~ and its  
shape is like this  I will also trim  
it like this.  Mamma got

some dahlia bulbes from ~~the~~ Sulee  
and they are jist coming up. On  
Easter I dyed 14 Easter eggs.

The car has jist been working  
fine lately. I am making all  
sort of may baskets for may  
day and some are real ~~pretty~~ <sup>pretty</sup>.

The colt is not here any  
more because papa had him  
taken out to pasture. It is  
now half past nine o'clock so  
must close.

P.S. Mr J B Johnson the old  
fellow from Colfax Wash was here  
and present our room a  
~~big~~ big flag and we got  
it on Friday last week.  
We sent a word of thanks  
back to him and he wrote us  
a letter that was almost all ~~poetry~~
