

VOLUNTEER BULLETIN

April 2026

Hello LCHS Volunteers,

Warmer weather is finally in our future! With warmer weather comes more events and programs!

What's New?:

- **2026 Volunteer Hours**

Volunteers logged in February and March total 107.25, bringing our total to 160.25 hours. That's a great start to volunteer hours for the new year! How about we have our 2026 goal be 1,000 hours again?! Thank you all for your hard work in making sure that LCHS runs smoothly and can assist the public at such a great capacity. We truly couldn't do it without you.

- **America250**

Next year is the semiquicentennial of America. In order to commemorate the anniversary, stay tuned for fun programs, events, and tabling at Moscow events in 2026 and 2027. More information can be found on our website, including the community calendar with local events related to America250. <https://www.latahcountyhistoricalsociety.org/america-250>
