LANTERNS & LUMINARIES

.....
Lights Along Latah County's Path

*Honoring those who have contributed to
Latah County's prosperity and unique sense of place.*

Sunday, September 29th, 2019
6:00 to 8:00pm at East City Park, Moscow

PROGRAM BOOKLET

Nearly since its organization, dedicated residents have worked to preserve and promote the history of our wonderful county. The Latah County Pioneer Association formed in the last years of the 19th century to celebrate and document the experiences of the men and women who settled the region. The Moscow Historical Club dates back to the same era, beginning as a women's club focused on chronicling the development of our county seat. In 1968, these two groups were brought together by similarly minded folks in order to create a single entity, one charged with creating and managing a museum and archives for all of Latah County.

To celebrate the 51st anniversary of Latah County Historical Society's formation, we gathered on Sunday, September 29th to chat with friends and neighbors, and light dozens of luminaria along the sidewalks in East City Park. Luminaria were sold in advance of the event and bore the names of those people and groups that donors wanted to honor for their contributions to Latah County. Anyone who made Latah County special for another individual was eligible for inclusion.

"Lanterns & Luminaries: Lights Along Our County's Path" was a celebratory look back at our past, as well as an opportunity to contemplate our bright and promising future. Thanks to all those who participated by purchasing luminaria and enjoying the evening's festivities.
