Dear Daughter

Well I got home Monday at 7.30 found every thing OK but of course lost several cases while away.

If you do not here from Bolting when you get to Clarkia I would write another letter stating that I had written but so far had not heard from him otherwise duplicate the other letter and mail at Clarkia so he will think you are still in. I forgot to settle with Art Larson for the stuff he brought in from Avery. You mentioned giving him a check for it hope you have done so.

Lovingly

Papa
